

## Burbank Parents' Association Calendar of events 2019-2020

The Parents' Association (PA) plays a vital support role to the well-being of students by providing heartwarming community building events and activities such as the Back-to-School Party, the French Holiday Bazaar, the Student Short Film Festival, and LILA Art Walk, just to name a few. The extent of service and dedication in the form of volunteering of the parent body is essential to the success of these events. Please consider giving back by volunteering your time.

We (your PA Officers) are looking forward to a wonderful year. The focus of our year will be strengthening the PA structure, building community, and increasing sustainability.
